Yellow- 3465

Blue- 3395

Awards Chapel - We will hold an awards chapel at 9:00 on Tuesday, June 4, to celebrate student excellence throughout the year. Parents are welcome, but not expected, to attend.

Yearbooks have arrived! We'll distribute them after the Awards Chapel on Tuesday, June 4.

Academic Award Trip - We're celebrating the work of our highest academic-achieving students from this year! Winners will have a special lunch at Golden Corral on Wednesday, June 5. Qualifying students have either earned Highest Honor Roll for three quarters or have demonstrated substantial growth in nearly all of the MAP test subjects. Eligible students will be announced at our Awards Chapel on Tuesday. We'll leave campus around 11:15 and will return around 12:45.

Kindergarten Graduation will take place at LVAES on Wednesday, June 5. Kindergarteners will be dismissed at 11:30 on that day to prepare for their big event. All other students will have a full school day. Come celebrate our graduates!

8th Grade Graduation will take place at the Camarillo Seventh-Day Adventist Church at 7:00 on Thursday, June 6. Come celebrate our graduates!

Early Dismissal on Last Day of School - Classes dismiss at 12:00 on Thursday, June 6. Please pick up your children promptly as our faculty and staff will be preparing for graduation!

Early-Enrollment Discount - We are extending the \$50 early re-enrollment discount through Thursday, June 6. Please remember that to receive the discount, you must 1. Have a zero balance on your account, 2. Complete the re-enrollment paperwork, and 3. Pay the re-enrollment fee.

Re-Enrollment Packets can be picked up in the office. They can also be downloaded, filled out electronically, and re-uploaded to lvaes.org/returning. Please note that part-time students need to fill out a Part-Time Addendum along with their re-enrollment packet, and all students will need to complete a Consent to Treatment form with a wet signature before the first day of school.

Final Invoices will be sent out after the final day of school and will include daycare and hot lunch charges accrued from April 16 - June 5 and any final

miscellaneous charges. The final tuition installment was paid on May 1, so you will not have another tuition installment due until the first day of school.

iPads - As we approach summer, many of you may have questions about what to expect in regards to iPads.

Graduating 8th Graders or Non-Returning Students

If you own your own iPad, we will remove our MDM and filter software and return your iPad restored to factory settings by Thursday, June 6.

If you have been leasing an LVAES-owned iPad, you may buy out the remainder of your lease (\$460 minus any lease payments you have made). Once your final invoice is paid, we will remove our MDM and filter software and restore the iPad to factory settings.

Returning Students

BYOD iPads

Because it takes so much work to enroll iPads into our MDM and filter, we would like to leave our MDM and filter in place. However, at a parent's request, we can remove restrictions and open up usage as much as parents would like. This essentially gives you free usage of the device but still gives parents the ability to use the ScreenGuide tools, and it also makes for a smooth transition back to regulated school usage in the fall.

Leased iPads

Students who have completed the re-enrollment process for next year are able to keep their iPads over the summer free of charge. We will leave our MDM and filter in place, but we can open up usage as much as parents request, including installing apps, allowing YouTube, etc.

What Should I Expect Next Year if I've Completed the Lease Term?

After you buy the device for \$10, it becomes a BYOD iPad. You will be charged the technology fee on your first invoice but will have no further payments. All other requirements remain the same regarding the MDM, filter, and school expectations.
